

# I Am (2002 Remaster)

**Nichole Nordeman**

Pencil marks on a wall, I wasn't always this tall  
You scattered some monsters from beneath my bed  
You watched my team win, You watched my team lose  
You watched when my bicycle went down again And when I was weak, unable to speak  
Still I could call You by name  
And I said, "Elbow Healer, Superhero  
Come if You can" and You said, "I Am" Only sixteen, life is so mean  
What kind of curfew is at ten p.m.?  
You saw my mistakes, You watched my heart break  
Heard when I swore I'd never love again And when I was weak, unable to speak  
Still I could call You by name  
And I said, "Heartache Healer, Secret Keeper  
Be my best friend and You said, "I Am" You saw me wear white by pale candlelight  
I said, "Forever to what lies ahead"  
Two kids and a dream, with kids that can scream  
Too much it might seem when it is two a.m. And when I am weak, unable to speak  
Still I will call You by name  
Oh, Shepherd, Savior, Pasture Maker  
Hold onto my hand, You say, "I Am" The winds of change and circumstance  
Blow in and all around us  
So we find a foothold that's familiar  
And bless the moments that we feel You nearer When life had begun, I was woven and spun  
You let the angels dance around the throne  
And who can say when, but they'll dance again  
When I am free and finally headed home I will be weak, unable to speak  
Still I will call You by name  
Creator, Maker, Life Sustainer, Comforter, Healer, my Redeemer  
Lord and King, Beginning and the End I Am  
Yes, I Am
