

# Fly In Her Nikes

Mac Miller

[Chorus]

She looking fly, girls fly in her Nikes  
Fresh new Jordans or fresh pair of Ice creams  
Oooo she? s a dime she keep em so nicely  
The way she? s rocking them kicks gotta make her my wifey  
You? re looking fly, real fly in them Nike shoes  
I? m looking for a wifey and it might be you  
MÃ©nage toi, spend the night with two  
It? s alright with me, if it? s alright with you  
Feel my hands rubbing up and down your backside  
Ma you? ve got curves like a half pipe  
That? s right ma yous a ten  
And your man? You be rocking nicer shoes than him  
I? m in the spot with some juice and gin  
Come to me  
You? re a beauty with your Louis and Gucci  
Baby girl I don? t wanna be your man, but let me just write my number on your hand  
At the party with a whole buncha hunnies here  
You got yours laced up with some bunny ears but now I got you all alone and the boozes gone So slip outta your  
clothes but keep them shoes on[Chorus]  
You looking like fresh, like WOAHH!  
Got damn, Looking so fly that you probably got a man.  
Your looking right and he aint here tonight so?  
I won? t tell him if you don? t OHHH!  
So let? s roll?.roll back to the crib  
Grey Goose lights dimmed Girl that? s how I live.  
You know you got them kicks fatt ass and some lips  
Baby you aint gotta ask for a kiss  
Shawty look proper with kicks like Foot Locker  
All done up, she a good shopper  
New jeans, blue tee and her shoes clean  
Looking like she about to seduce me  
Just touch me, tease me girl caress it  
100 thousand pairs in your shoe collection  
I know you like to tell, but let me just lay back while you light my L[Chorus]
