

Imagine Me Without You

Martin Nievera

As long as stars shine down from heaven
And the rivers run into the sea
Till the end of time forever
You're the only love I'll need

In my life you're all that matters
In my eyes the only truth I see
And my hopes and dreams have shattered
And you'll be there for me

Hopefully you back to me
I can never leave you
I need you

Chorus:

Imagine me without you
I'd be lost and so confused
I wouldn't last a day, I'd be afraid
Without you there to see me through

Imagine me without you
Tell me that there's something I can do
To turn back time, to make you mine
I'd die a thousand times
I can't imagine me without you

In my heartfully that pieces
You can lie and promise me
How I wish you touch a feeling
And I'll let you set away

Hopefully you back to me
I can never leave you, No ohh..

Imagine me without you
I'd be lost and so confused
I wouldn't last a day, I'd be afraid
Without you there to see me through

Imagine me without you

Tell me that there's something I can do
To turn back time, to make you mine
I'd die a thousand times
I can't imagine me without you

Hopefully you back to me
I will never leave you, I need you

Imagine me without you
I'd be lost and so confused
Couldn't last a day, I'd be afraid
Without you there to see me through

Imagine me without you
Tell me that there's something I can do
To turn back time, to make you mine
I'd die a thousand times
I can't imagine me...
Just can't imagine me...
Without you...
woooohhh ohh ohhh ohhh ohhh...
