The Other Line

Chunk! No, Captain Chunk!

[Intro]
Now tell me the truth
Don't make me wait too long
You have to prove that I shouldn't move on[?] the plug
I hear my own heartbeat, I want it to stop
Doing next to nothing of breaking apart
[?] disgust to the boneGet out or give me reason
Shut up, I'll do it alone
And I won't waste another year sitting in here
Waiting for something more[Pre-Chorus]
So I'm just stuck here in the meantime
Waiting on the other line[Chorus]
Now tell me the truth
Don't make me wait too long
You have to prove that I shouldn't move on
Giving in is the price I pay
These words alone are enough to walk away
Think I hang on every word you say
And worst of all, you're predictable[Breakdown]
[?]
Standing right here but I came from nothing
[?][Bridge]
[?] the pressure just pulls me apart
You're fueling the fire, it just won't stop
It keeps growing and burning and taking my world down in flames[Pre-Chorus][Chorus][Breakdown][Chorus][Bridge 2]
You're breaking the ground that you walk on
No one around you is safe
Your thoughts are as loud as a shotgun
They keep blowing me away[Pre-Chorus]
So we're just stuck here in the mean time
Waiting on the other line[Chorus][Outro]
So we're just stuck here on the meantime
Waiting on the other line
