

Forever Yours

Dottie West

Forever yours I'll always be please say that you'll give your sweet love to me
Forever yours my love will be I will take care of you say you love me I started living the day I found you I love
you with all my heart say you love me too
I will stay beside you and I will guide you forever yours please say that you're mine
Forever yours I'll always be...
I will take care of you say you love me
