

Now That We Found Love

The O'Jays

Yeah [yeah-eah](Now that we found love what are we gonna do)
[what are we gonna do] (with it) [with it]
(Now that we found love what are we gonna do)
[hey-eay] (with it)(Now) One two, tell me what you got
Let me slip my quarters inside your slot to hit the jackpot
Rev me up rev me up
My little buttercup
We can tug sheets snuggle up and get stuck
Believe it or not
Here comes the brother with glow
A strugglin', bubblin' overweight lover hurt prone
So what's it gonna be
Me or the TV
Now let me take time to set your mind and your body free
(Now) So why don't you just stretch
Stretch for a sec
Played ??? so I could cop a quick rec
Shake me, Shake me
Baby baby bake me
No need to fake here I am
Come on and take me
Wind your body
Baby move your body
I see you slip sliding
Come on now do it hottie
I'm not quite sure as to what is going down
But I'm feeling Hunky Dory
'bout this thing that I found(Now that we found love what are we gonna do with it)
(Now that we found love what are we gonna do
with it) [come on Heavy, come on Heavy](Now) I dig the way you wiggle
You don't jiggle
Once you jiggle
So hand over your love
Cause it's heavier
Than it'll
Move her like a mover
she wanted to groove so I grooved her
then she wanted to learn so we did school
and I schooled her

(Now)[Mary had a little lamb]
 But not like this
 We can waltz and turn
 Rumble tumble and twist
 Then you think you gonna give in
 Phantasies relivin'
 So lay down and relax
 [yeah baby, that's 1/2 it]
 (now) Lover my lady
 Lady love of my baby girl
 Spread your wings
 So we can fly around the world
 Harmony, charm of me
 Your fingertips are callin me
 When you drop me kisses
 You're so cute you drop the bomb on me
 (Now) Stretch it, stretch it
 Flex it, flex it
 Gimme the permission
 Okey, dokey
 I'll bless ya
 Blessin' like buddha
 Buddha as the bless
 You can lay down on the Lover
 Put your head on my chest [now that we](Now that we found love what are we gonna do)
 [what are we gonna do] uh, yeah (with it) [with it] uh
 (Now that we found love what are we gonna do)
 [come on and tell me] (with it) TR, get em up one time(Now) Uh, keep it funky
 yeah [keep it smooth] like this
 (Now) Uh, here we go(Now) What can we do
 What are we gonna do
 Roses are red and Violets are blue
 Love is good and plenty
 If you get plenty good lovin'
 Kiss you where you're hot
 to what I got to keep you bubblin
 (Now) Do me right
 Do me right
 My lonesome dove
 Tell me one more time
 What is this thing called love
 I'm not quite sure
 As to what is going down
 But I'm feelin' Hunkey Dory
 'Bout this thing that I found [yeah](Now that we) [now that we] (found love
