Tease Me Tonite

Guy

turn the lights down low
baby please come closer
i want some of your love tonight
just a gentle touch yeah
of your hands on me
is enough to set my heart so free
oh baby

baby tease me tonight (tease me)
make it feel alright
i wanna love you all over (2x)

girl your all i want
and your all i need
so why are you doing this to me
i want to make sweet love to you
so lets do it now
let me come inside
i wanna bring you joy
oh baby.....

baby tease me tonight
make it feel alright
i want to love you all over (2x)
