# Hiding

## Candy Claws

I know I've gotta find you
Wonder if you're even there
Taking me for granted
I can barely stand it
Wonder why I even care
Oh now baby you, cant you see
I'm hiding in your arms
Oh now baby you, cant you see
Don't wanna find myself in harm
Showing me the way I thought I heard you say
That good things come to those who wait
Watching every hour, watch it going sour
Watching you control my fate
Oh now baby you, cant you see

I'm hiding in your arms
Oh now baby you, cant you see
Don't wanna find myself in harm
Running out of space, I can't see your face
I've forgotten how you used to be
Saying that you love me, that you're thinking of me
Taking my identity
Oh now baby you, cant you see
I'm hiding in your arms
Oh now baby you, cant you see
Don't wanna find myself in harm
Oh now baby you, cant you see
I'm hiding in your arms
Oh now baby you, cant you see
Don't wanna find myself in harm
