

Prayer For The Dying

[Lisa Hannigan](#)

[Verse 1]

A prayer for the dying
For the waves coming in
And washing the edges
The edges away from within[Chorus]

Your heart

My heart

Your heart

My heart[Verse 2]

A prayer for the dying
Oh, the song coming out
To feel all the coldness
So misunderstood[Chorus x2]

Of your heart

My heart

Your heart

My heart
