Thinking It Over

Liberty X

Ooh, yeah, yeah, yeah
L to the I to the B to the E to the R to the T Y, yeah
Ooh, yeah, yeah, yeah
L to the I to the B to the E to the R to the T Y, yeah
I ain't mad with you baby
Yeah, but why the wait
I'm just telling you maybe
Oh, so why the wait
I ain't mad at you baby
I'm thinking it over
There's this guy that's on my mind
He tells me I'm the one and calls me all the time
Should I see him, do you think he's right
'Coz he's the one whose caught my eye
I tell you girl I've heard this all before
He ain't the kind of guy that you've been searching for
Look around you there's so much more
'Coz he's the one you should ignore
Ooh, let me tell you how I feel
I know you've heard a lot of things but I'm for real
I realize I got myself to blame
Forget my past I'm not the same
So why the wait
I ain't mad with you baby
Yeah, but why the wait
I'm just telling you maybe
Oh, so why the wait
I ain't mad at you baby
I'm thinking it over
Over

L to the I to the B to the E to the R to the T Y
Yeah, yeah, yeah
Ooh, yeah, yeah, yeah
L to the I to the B to the E to the R to the T Y, yeah
It's been a while since I felt so sure
I've played around but I want something more
Not gonna pressure you to let me know
Give me the chance to prove you wrong

Honey I'm feeling so confused
Don't wanna play a game I know I'm gonna lose
I need some time so I can think things through
But not tonight, not with you
So why the wait
I ain't mad with you baby
Yeah, but why the wait
I'm just telling you maybe
Oh, so why the wait
I ain't mad at you baby
I'm thinking it over
I can't stand the wait
I ain't mad though
I can't stand the wait
I ain't mad though
I can't stand the wait
I'm thinking it over
I'm thinking it over
I'm thinking it over
I'm thinking it over
I'm thinking it over
