Pardon Me

The Cox Family

Pardon me, but I think you're the one love
That I've been waiting on for so long
Pardon me, could we walk in the moonlight
Just to sit there and find right or wrong?Well, I've met a lot of boys in my lifetime
But I've never had a romance with none
I'm just waiting for someone real special
Pardon me, but I think you're the onePardon me, but I think you're the one love
That I've been waiting on for so long
Pardon me, could we walk in the moonlight
Just to sit there and find right or wrong?Pardon me, but some nice things have happened
From the moment you walked in the door
It just seems that my dreams have all come true, dear
And I've never had this feeling beforePardon me, but I think you're the one love
That I've been waiting on for so long
Pardon me, could we walk in the moonlight
Just to sit there and find right or wrong?I believe I could search this world over
And never find one sweeter than you
I just hope that you're ready and willing
Just to make my every dream come truePardon me, but I think you're the one love
That I've been waiting on for so long
Pardon me, could we walk in the moonlight
Just to sit there and find right or wrong?
