Love Is All

Jane McDonald

Yesterday
I knew the games to play
I thought I knew the way
Life was meant to be
But now there's you
My foolish games are through
Now at least I have found
Just what makes this whole world turn aroundLove is all I have to give
Love is all, as long as I shall live
So take it all
And I'll always be there when you call my name
I know now that love is all
Every night
I long to hold you tight
Until the mornin' light
Shines in your eyes
So love me now
We'll get along somehow
Won't you please take my hand
And together, forever, we'll stay
Love is all I have to give
Love is all, as long as I shall live
So take it all
And I'll always be there when you call my name
I know now that love is all
So take it all
And I'll always be there when you call my name
I know now that love is all
