

Cry from the Street

David Gilmour

Black shadows dance
Beyond the neon glow
There's rumors in your head
And just one way to goOh, so tight
It makes your blood run cold
The way is blind
Try to save your soulDon't be afraid
It's just cry from the streetIt's fine as you leave
The one they keep at home
So you love someone
That you thought you owedYou know it's a crime
But what can you do?
That's the price you pay
With each turn of the screwBut don't pay no mind
Just cry from the streetYou really love the night
Even though you're alone
It's such a cryin' shame
That things are so wrongIt's the sign of the scream
That it blinds your feet
I guess the chance is ours
You wish to stay and sleepBut don't even pray
Just cry from the street
