Going, Going Gone

Information Society

Sometimes looking back
I can't believe how many times I left her
I guess it's all part of the game
That we playAll is fair in love and war
But in this case they're quite the same thing
What's the difference if I go
Or if I stay?I tried to tell her I was not the only one to turn to
But she was indifferent to my pleas
And now she's going, going, gone
And I did nothing wrong
But she's going, going, goneIf I disappeared tonight
It would not change her mind about me
She's in love with someone who has changed
Since that day
