

# Chained To Your Love

Betty Everett

Your love  
has got a hold on me  
This yearning, burning feeling  
Won't let me be  
Oh I know it shows  
And I don't suppose  
That I'll ever free myself  
I just can't help myself  
I'm just a slave  
Chained to your love  
Your kiss  
Is ecstasy  
The shocking emotion I receive  
Electrifies me  
Oh, you know darn well  
I'm under the cast of your spell  
Don't ever let me go  
I want the world to know  
I am your slave  
I can't go straight Chained to your love oh oh oh  
Kiss by kiss  
Oh I was drawn to you Yes I was  
You changed my ways  
Made me do things  
I vowed I would never never do  
Your love  
Made a change in my plan  
I stop feeling small  
I feel ten feet tall  
Holding your hand  
Oh, having you close to me  
Brings to reality  
A paradise for two  
That when I belong to you  
You made me your slave  
But that's okay  
Chained to your love  
Oh I'm gonna stay  
That's okay

chained to your love
