Aftos o anthropos aftos - He, the man  
Pou perpataei panta skyftos - Who walks always bent  
Kai den milaei se kanena - And not talking to anyone  
Klaiei, klaiei, klaiei gia mena - Cry, cry, cry for me

Aftos, o anthropos aftos - He, the man  
Itan o allos m'e aftos - Was the other with self  
Itan to allo to miso ap' to kormi mou - Aas the other half from my body

Aftos, o anthropos aftos - He, the man  
Itan o allos m' eaftos - Was the other with self

Aftos o anthropos aftos - This man is  
Pou itan toso dynatos - That was so strong

Kai me koitaei pikramena - And looks bitter  
Klaiei, klaiei, klaiei gia mena - Cry, cry, cry for me
