Should I Stay

Tonya Mitchell

Oh, oh
Hey, yeah, yeahYou whisper sweet words in my ear
trying all you favorite lines
But boy you gotta know I don't have time
for puppy love and valentinesDo you know what it means
when you say that you want to be with me?
Should I stay or should I go?
Should I stop or baby let if flow?
Cause if I stay you know
I'll steal all your love away
Should I stay or should I go (should I go)?When I look in your eyes I can see
I've got you weak in the knees.
But my love isn't blind and I don't know
if you are ready for me.Do you know what it means
when you say that you want to be with me?
Should I stay or should I go?
Should I stop or baby let if flow?
Cause if I stay you know
I'll steal all your love away
Should I stay or should I go?Should I stay or should I go?
Should I stop or baby let if flow?
Cause if I stay you know
I'll steal all your love away
Should I stay or should I go?If you think you easily
Can get me to instantly
Let you run your game successfully
Then you gotta know
That you are so easily
Gonna give up your love to me
And I will not possibly
Ever let you goDo you know what it means
when you say that you want to be with me?
Should I stay or should I go?
Should I stop or baby let if flow?
Cause if I stay you know
I'll steal all your love away
Should I stay or should I go?Should I stay or should I go?
Should I stop or baby let if flow?
Cause if I stay you know

I'll steal all your love away
Should I stay or should I go?Should I stay or should I go?
Should I stop or baby let if flow?
Cause if I stay you know
I'll steal all your love away
Should I stay or should I go?
