Good Day

The Dresden Dolls

So you don't wanna hear about my good song?
You don't wanna hear about how I am getting on
With all the things that I can get done
The sun is in the sky and I am by my lonesomeSo you don't wanna hear about my good day?
You have better things to do than to hear me say
God, it's been a lovely day, everything's been going my way
I took out the trash today and I'm on fireSo you don't wanna hear about my good friends
You don't have the guts to take the truth or consequence
Success is in the eye of the beholder
And it's looking even better over your cold shoulderI'm not suggesting you get to line me up for questioning
But Jesus think about the bridges you are burning and I'm betting
That even though you knew it from the start
You'd rather be a bitch than be an ordinary broken heartSo go ahead and talk about your bad day
I want all the details of the pain and misery
That you are inflicting on the others
I consider them my sisters and I want their numbersGod, it's been a lovely day, everything's been going my way
I took up croquet today, I'm on fire
I picked up the pieces of my broken ego
I have finally made my peace as far as you and me goBut I'd love to have you up to see the place
I'd like to do more than survive, I'd like to rub it in your faceHey, it's been a lovely day, everything is going my way
I had so much fun today and I'm on fire
God, it's been a lovely day every thing's been going my way
Ever since you went away, hey, I'm on fireI'm on fire, I'm on fire, I'm on
I'm on fire, I'm on fire
I'm on fire, I'm on
So you don't wanna hear about my good day?
