Keep Me In Mind

Zac Brown Band

1... 2... 3
This is gonna be funky
How come all the pretty girls like you are taken baby
I've been looking for someone like you to save me
Life's to easy to be so damn complicated
Take your time and I'll be waitin'
Chorus:
Keep me in mind
Somewhere down the road you might get lonely
Keep me in mind
And I pray that someday that you will love me only
I think about you somedays
And the way I would lay and waste a day after day with you
We always go our separate ways
But no-one can love you baby the way I do
Chorus:
Keep me in mind
Somewhere down the road you might get lonely
Keep me in mind
And I pray that someday that you will love me only
Bridge:
Well the world can be real tough

Find shelter in me
If there's no-one else to love
Keep me in mind
If ever you wanted me, I'll be your man
I'd be a fool to let you go with someone else
Whatever you want from me, I'll be your man
I'd give it all up just to have you for myself
Chorus:
Keep me in mind
Somewhere down the road you might get lonely
Keep me in mind
And I pray that someday that you will love me only
Well the world can be real tough
Won't ya hold on to me
When there's no-one else to love
Keep me in mind

(Keep me in mind)
And I'll hold you darling
(Keep me in mind)
I'll be your man
(Keep me in mind)
I'll hold you darling
(Keep me in mind)
C'mon little mama
Put it on me
