

# Crazy Love

Michael Bolton

I can hear her heart beat from a thousand miles  
And the heaven's open every time she smile  
And when I come to her that's where I belong  
Yet I'm runnin' to her like a river's song  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
She got a fine sense of humor when I'm feelin' low down  
And when I come to her, when the sun goes down  
She take away my trouble, take away my grief  
Take away my heartache in the night like a thief  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
And I need her in the day time  
And I need her in the night  
I wanna throw my arms around her  
Kiss and hold her, kiss and hold her tight  
And when I'm returnin' from so far away  
She give me some sweet lovin', brighten up my day  
And it make me righteous and it make me whole  
And it make me mellow down in my soul  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
She give me love, give me love, crazy, crazy love  
She give me love, give me love, crazy love  
Take away my trouble, take away my grief  
Take away my heartache in the night like a thief  
She give me love
