

Keith's a Thief

Toy Dolls

Keith works every night and day
Honesty's his goal but Keith's a thief
'Cause he's still claiming dole What a fiddler Keith is
He thinks he won't be caught
But Keith is gonna end up in court The SS men will knock on the door
And Keith won't be working no more Keith, Keith, Keith, Keith's a thief
Keith, Keith, Keith's a thief He's making money on the sly
Which he does not declare
No invoices or receipts anywhere Locked in the room with the C.I.D.
Rather you Keith than me Keith, Keith, Keith, Keith's a thief
Keith, Keith, Keith's a thief Keith is Keith is
Keith's a thief, a rip off and a con
Keith is Keith is
Keith's a thief and he's still signing on
Keith is Keith is Keith's still signing on I'm not deceitful, he does say
I tell them all the facts but Keith's a thief
'Cause he dodges the tax The PH team will get Keith
'Cause will all know that Keith's a thief Keith, Keith, Keith, Keith's a thief
Keith, Keith, Keith's a thief The PH team will get Keith
'Cause will all know that Keith's a thief
