The Little Things Give You Away

LINKIN PARK

Water gray

Through the windows, up the stairs

Chilling rain

Like an ocean everywhereDon't want to reach for me, do you?

I mean nothing to you

The little things give you away

And now there will be no mistaking

The levees are breakingAll you've ever wanted

Was someone to truly look up to you

And six feet under water, I doHope decays

Generations disappear

Washed away

As a nation simply staresDon't want to reach for me, do you?

I mean nothing to you

The little things give you away

But now there will be no mistaking

The levees are breakingAll you've ever wanted

Was someone to truly look up to you

And six feet under water, I doAll you've ever wanted

Was someone to truly look up to you

And six feet underground, now I, now I do The little things give you away

The little things give you away

The little things give you away

The little things give you away The little things give you away

(All you've ever wanted)

(Was someone to truly look up to you)

The little things give you away

The little things give you away

(All you've ever wanted)

(Was someone to truly look up to you)

The little things give you away The little things give you away

(All you've ever wanted)

(Was someone to truly look up to you)

The little things give you away

The little things give you away

(All you've ever wanted)

(Was someone to truly look up to you)

The little things give you awayThe little things give you away

(All you've ever wanted)

(Was someone to truly look up to you)
The little things give you away
The little things give you away
(All you've ever wanted)
(Was someone to truly look up to you)
The little things give you away
