

If It Means a Lot to You (WeSpeakProse Remix)

A Day to Remember

Hey darling, I hope you're good tonight
And I know you don't feel right when I'm leaving
Yeah, I want it but no, I don't need it
Tell me something sweet to get me by
'Cause I can't come back home 'til they're singin'La, la la la, la la la
'Til everyone is singin'If you can wait 'til I get home (I get home)
Then I swear to you that we can make this last
(La la la)
If you can wait 'til I get home (I get home)
Then I swear come tomorrow, this will all be in our past
It might be for the bestAnd hey sweetie, but I need you here tonight
And I know that you don't wanna be leaving
Yeah, you want it but I can't help it
I just feel complete when you're by my side
But I know you can't come home 'til they're singin'La, la la la, la la la
'Til everyone is singin'
La, la la la, la la laIf you can wait 'til I get home
Then I swear to you that we can make this last
(La la la)
If you can wait 'til I get home
Then I swear come tomorrow, this will all be in our past
It might be for the bestYou know you can't give me what I need
And even though you mean so much to me
I can wait through everything
Is this really happening?
I swear I'll never be happy again
And don't you dare say we can just be friends
I'm not some boy that you can sway
We knew it'd happen eventuallyLa, la la la, la la la
Now everybody's singin'
La, la la la, la la la
Now everybody's singin'
La, la la la, la la la (If you can wait 'til I get home)
Now everybody's singin'
La, la la la, la la la (Then I swear we can make this last)
Now everybody's singin'La, la la la, la la la
If you can wait 'til I get home
Now everybody's singin' la, la la la, la la la
Then I swear we can make this last

Now everybody's singin' la
