

All The Way To Reno - You're Gonna Be A Star

R.E.M.

Humming
All the way to Reno
You've dusted the non-believers
And challenged the laws of chance
Now, sweet
You were so sugar sweet
You may as well have had 'kick me'
Fastened on your sleeve You know what you are,
You're gonna be a star
You know what you are
You're gonna be a star Wing
Is written on your feet
Your Achilles heel
Is a tendency
To dream
But you've know that from the beginning
You didn't have to go so far
You didn't have to go. You know what you are,
You're gonna be a star
You know what you are
You're gonna be a star You know who you are
You know who you are
You know who you are. Humming
All the way to Reno,
You've written your own directions
And whistled the rules of change You know what you are
You're gonna be a star
You know what you are
You're gonna be a star
You know what you are
You're gonna be a star
You know what you are
You're gonna be a star Humming
All the way to Reno
All the way to Reno
All the way to Reno You're gonna be a star, you are
You're gonna be a star
You're gonna be a star, you are

You're gonna be a star
