

If You Were Mine

Marcos Hernandez

If you were mine, I'd be your everything
And you'd be the only thing that I would ever need
If you were mine, I would tell everyone
That you are the only one that I could ever want
Oh yeah Everything I dream about, everything I talk about
One thing I can't live without I wanna get closer to you
Can't stand being far away, knowing that you don't feel the same way
Questioning bring tears to your eyes If you were mine, I'd be your everything
And you'd be the only thing that I would ever need
If you were mine, I would tell everyone
That you are the only one that I could ever want
Oh yeah All the words I sing about, all the letters I'd write about
Only thing I wanna hear about is when I get closer to you
I know that there's someone else, he is only thinking of himself
Doesn't make any sense for you to be lonely If you were mine, I'd be your everything
And you'd be the only thing that I would ever need
If you were mine, I would tell everyone
That you are the only one that I could ever want
Oh yeah Let me be the one you share your hopes and dreams with
You'll never be alone again, cuz' I will hold you endlessly
Please don't be afraid to let your broken heart guide you
Into these open arms that long to surround you, baby If you were mine, I'd be your everything
And you'd be the only thing that I would ever need
If you were mine, I would tell everyone
That you are the only one that I could ever want If you were mine, I'd be your everything
And you'd be the only thing that I would ever need
If you were mine, I would tell everyone
That you are the only one that I could ever want
Oh yeah
