

# Turbulence (feat. Lil Jon)

Steve Aoki & Laidback Luke

Ladies and gentlemen,  
Welcome to flight 909  
Taking you on a journey  
All around the world  
With your captains...  
Steve Aoki  
Lil Jon  
Laidback Luke  
Are you ready?  
Are you ready?  
Ready for takeoff  
We hit turbulence.Let's go  
What a rush  
Yeah!Attention passengers  
This is your captain speaking  
I regret to inform you, we might encounter some turbulence  
So when it happens  
Put your hands up high  
Like you on a roller coaster  
Initiate emergency procedures  
Up up up up up up  
Higher higher higher higher higher higher higher higher higher  
We hit turbulence, yeah!Let's go  
What a rush  
Yeah!
