if you see me
if you see me
just go away
just go away
if I run
If I run
Don't follow me
just go away
'cause I like you
but baby it's all wrong
'cause I yeah I like you
but bay be its all wrong
If I run don't you think
you know what I want
It feels good
It feels good
Its all wrong
Its all wrong
It feels so good
it must be wrong
It feels so good it
must be wrong
