I Dare You

Savoy

I dare you
I dare youNobodys perfect, this I know
But I make perfect look completely impossible
Everyone inside my head says you just wont make it through
But here you are with no regrets
Why not kick off your shoes?
I dare you,
I dare you to love me,
Dare you to love me.
I dare you,
I dare you to trust me,
Dare you to trust me.Cause Im my own worst enemy
I can feel this energy
Eroding, exposing the truth
You want the whole damn heart of me
Each and every part of me
Well go ahead and light the fuse,
I dare youI dare you to trust me,
Dare you to trust meEveryone inside my head says you just wont make it through
But here you are with no regrets
Why not kick off your shoes?I dare you,
I dare you to love me,
Dare you to love me.
I dare you,
I dare you to trust me,
Dare you to trust meCause Im my own worst enemy
I can feel this energy
Eroding, exposing the truth
You want the whole damn heart of me
Each and every part of me
Well go ahead and light the fuse,
I dare youI dare you to trust me
