

# I Dare You

## Savoy

I dare you  
I dare you Nobody's perfect, this I know  
But I make perfect look completely impossible  
Everyone inside my head says you just won't make it through  
But here you are with no regrets  
Why not kick off your shoes?  
I dare you,  
I dare you to love me,  
Dare you to love me.  
I dare you,  
I dare you to trust me,  
Dare you to trust me. Cause I'm my own worst enemy  
I can feel this energy  
Eroding, exposing the truth  
You want the whole damn heart of me  
Each and every part of me  
We'll go ahead and light the fuse,  
I dare you I dare you to trust me,  
Dare you to trust me Everyone inside my head says you just won't make it through  
But here you are with no regrets  
Why not kick off your shoes? I dare you,  
I dare you to love me,  
Dare you to love me.  
I dare you,  
I dare you to trust me,  
Dare you to trust me Cause I'm my own worst enemy  
I can feel this energy  
Eroding, exposing the truth  
You want the whole damn heart of me  
Each and every part of me  
We'll go ahead and light the fuse,  
I dare you I dare you to trust me
