

# Eyes of a Child

Aloe Blacc

You think you're so sophisticated  
With your lady-like ways  
Your life is so complicated  
Do you remember the days?

Looking through

You're looking through the eyes of a child  
You see what you believe  
Through the eyes of a child  
You see what you believe

I remember the things you hated  
All the two-faced lies  
The people that smiled and cheated  
Looking back on your life

You're looking through

You're looking through the eyes of a child  
You see what you believe  
Through the eyes of a child  
You see what you believe

Act like a lady  
Subscribe to all the magazines  
Cry like a baby  
At all that you have seen

Through the eyes of a child

You think you're so sophisticated  
With your lady-like ways  
Your life is so complicated  
Do you remember the days?

Looking through

You're looking through the eyes of a child  
You see what you believe

Through the eyes of a child  
You see what you believe

Through the eyes of a child  
You see what you believe  
Through the eyes of a child  
You see what you believe

Through the eyes of a child  
Through the eyes of a child  
Through the eyes of a child
