I got 25 migos with a swisha in they hands

Finna bust it open

Man, the rap game lookin' like a pinada

If you gon' bust it open

Bust it open, bust it open

Bust it open, bust it open

Bust it open, bust it open

Bust it open, bust it open

(Ride! Bust that swisha wide open fo' me)

(Scotty ATL)

Twenty five in the lobby and they waiting for me

Pay my dues in the game,

Need a bitch that can pop it,

Now these hoes can feelings supa quick

(Hook)

(2: B.o.B)

Right, bust it right open,

lemme see what you're workin' with

I ain't seen you with the other girl,

where you been workin' at?

Ok, now arch your back, but I'm done

It's either you been workin' out or you got someone to purchase this

Got it, got these bitches comin' out the way

strange I still walk around the cater like I ain't famous

She gon' bust it open fo' me like we ain't strangers
Booty knockin' ova drinks, but I can't blame her
Oh my God, goddamn, she go ham
Oh my God, goddamn, she go ham
She got a future behind her,
I say let's make a business plan
Ok, one time for the fam, she don't eat pussy fo' real, she just buy on instagram
