I hate to see you everywhere
I can't stand you anymore
I don't wanna see your friends
There is a fake laugh at your doorI don't care where you've been
I'm out and don't care what you like
You shout and grumble all the time(I know, I know, I know)
I know I'm livin' in a bottle (3x)
I know you're livin' in a bottle
There is a space that you create
A world that sadly is your fate
You smoke, you drink but I don't care
Leave us alone and off your faceScroll down the pages of your mind
Swallow your ego with my pills
Where is Kurt when you need him
(I know, I know, I know)
I know I'm livin' in a bottle (3x)
I know you're livin' in a bottleI know I'm livin' in a bottle (3x)
