

Perfect You

Hannah Rose

I'm the perfect me-e-e-e
And you're the perfect you-u-u-u
Be strong and confident
Strong and confident
Work it
Work it
Work it
Work it
Don't let anyone change you
Don't let anything make you
Nothing can break you apart
Apart
Apart
Don't get pushed into a corner
Don't get backed against a wall
It's not you
It's not you
Be proud of who you are
I'm the perfect me-e-e-e
And you're the perfect you-u-u-u
Be strong and confident
Strong and confident
Work it
Work it
Work it
Work it
Learn to love who you are
Don't compare yourself to them
That's not fair to you
To you
To you
Don't get pushed into a corner
Don't get backed against a wall
It's not you
It's not you
Be proud of who you are
I'm the perfect me-e-e-e
And you're the perfect you-u-u-u
Be strong and confident

Strong and confident
Work it
Work it
Work it
Work it
Never sway from who you are
Trust yourself and know that you'll go far
Don't get pushed into a corner
Don't get backed against a wall
It's not you
It's not you
Be proud of who you are
I'm the perfect me-e-e-e
And you're the perfect you-u-u-u
Be strong and confident
Strong and confident
Work it
Work it
Work it
Work it
I'm the perfect me-e-e-e
And you're the perfect you-u-u-u
Be strong and confident
Strong and confident
Work it
Work it
Work it
Work it (work it) (work it)
