Thank You For The Love

Mother's Finest

I, I love what you do to me
I love what you make me see
About reality, and it's true
The joy just right for me
I know what it's gonna be
You always satisfy me
You call me in the morning
Tell my you love me
Telling me you need me
Makes everything alright
You give me good feelings
You give me good feelings
You give me good feelings
Ooh, I want to thank you for the love
Thank you for the heartaches
Thank you for the tears I've cried
Thank you for all those liesYour, your love is just right on time
I'm proud to say you're mine
You're always so good to me and oh, no
I could never hold it back
I'm in love and that's the fact
You know just what you're doing to me
When you put your arms around me
Wash my cares away
Makes me feel so close to you, babe
And it happens all the time
You give me good feelings
You give me good feelings
You give me good feelings
Ooh, I want to thank you for the love
Thank you for the heartaches
Thank you for the tears I've cried
Thank you for all those lies
