In Your Hands (feat. Lisa Rowe)

Virtual Riot

Wish I could breathe underwater,
So I could dive into your sea.
Wish you could sail into my harbour,
So I can keep you close to me.Never give it all away
To make somebody stay
That's what they used to say.But I can give you more,
You see you've got the best of me.I am floating on air,
'Cause you blow me away.I am floating on air, floating on air,
My head's in the clouds,
And my heart is in your hands.(My heart is in your hands)Wish I could breathe underwater,
So I could dive into your sea.
Wish you could sail into my harbour,
So I can keep you close to me.Never give it all away
To make somebody stay
That's what they used to say.But I can give you more,
You see you've got the best of me.I am floating on air,
'Cause you blow me away.I am floating on air, floating on air,
My head's in the clouds,
And my heart is in your hands.(My heart is in your hands)
