

# Stay

## Nick Jonas & The Administration

Hard to believe  
Where we are now  
Your hand in mine, babe  
Feels right somehow  
The night is so still  
Don't make a sound  
It's almost perfect, baby  
So promise you'll never look down  
'Cause we had our past, I know  
Let's leave that behind  
'Cause your love will last  
All that we have is tonight  
'Cause you're not the only one  
Who's ever felt this way  
Don't let the world cave in  
Just tell me that you'll stay  
Now that the pain is done  
There's no need to be afraid  
We don't have time to waste  
Just tell me that you'll stay  
Ooh, ooh, ooh  
Beautiful, one of a kind  
You're something special, baby  
You don't even realize  
That you're my heart's desire  
All that I needed to know  
I know you're scared  
But I promise, babe  
I'm not who I was before  
  
'Cause you're not the only one  
Who's ever felt this way  
Don't let the world cave in  
Just tell me that you'll stay  
Now that the pain is done  
There's no need to be afraid  
We don't have time to waste  
Just tell me that you'll stay  
You're not the only one

Who's ever felt this way  
Don't let the world cave now  
Tell me that you'll stay  
Now that the pain is gone  
There's no need to be, be afraid  
We don't have time to waste  
Tell me that you'll stay  
Tell me that you'll  
Tell me that you'll stay  
Baby, please, tell me  
Tell me  
Tell me you're gonna stay  
Ooh, ooh, ooh  
Ooh, ooh, ooh, yeah  
Tell me you're gonna stay, baby, yeah  
Because I just got your love, baby  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, yeah, whoa  
You're gonna stay, baby  
You're gonna stay
