Marry Me

DellÃ©

Born as a son of Henry the 1st.
I donÂ´t know about hunger.
I donÂ´t know about thirst.
Inherit the money, the power, the pearls.
But not If I marry you girl.

Gone. All the pretty diamonds.
All is gone. All the pretty cars.
Gone. Had a house by the ocean.
Oh gone. Gone with the wind.

I got no cash, got no bling.
AinÂ´t got a penny to buy you a ring.
Can you hear me sing.

Girl, do you want to marry me.
With you I want to be.
From now until the end of time.
Love, love is all I have.
We got to live of love.
Till the end of time.

Since I am a youth my father would say.
Keep it within the royal family.
But thatÂ´s not the way I want it to be.
My downtown girl, come with me.

I got no cash, got no bling.
AinÂ´t got a penny to buy you a ring.
Can you hear me sing.

Girl, do you want to marry me.
With you I want to be.
From now until the end of time.
Love, love is all I have.
We got to live of love.
Till the end of time.

Now I got no doubt.
ThereÂ´s nothing I would miss but your love.

Now I got no doubt.
ThereÂ´s nothing I would give for your love.

I got no cash, got no bling.
AinÂ´t got a penny to buy you a ring.
Can you hear me sing.

Girl, do you want to marry me.
With you I want to be.
From now until the end of time.
Love, love is all I have.
We got to live of love.
Till the end of time.
