

Industry

Blackouts

My debut is coming soon
You already know what I'm gonna do
 You got my time on the dotted line
But you show up invited and before I sign
And someone say I'm not making mistakes
 But please don't be fake
 My debut comes today
And my feelings have all run away
 With the man that I am but understand
Hey, if I don't keep going it'll just go to show
That I've been beat by an industry I've never seen
 This is me on my knees
 Singing take it all from me, take it all
 Speak to my needs, my needs
Oh, and take it all, oh, just take it all, this is me
 So the crowd gets quiet, I start to play
And I think they're buying what I got to say
 But to my defiance the music fades
And we all sit silent and I crawl back inside
 Because it wasn't supposed to go this bad
 This is me on my knees
 Singing take it all from me, take it all
 Speak to my needs, my needs
Oh, and take it all, oh, just take it all, this is me
 And when you grow silent I start to fall
 And when you grow silent I start to fall
 And when you grow silent I start to fall
 When you grow silent I
 And when you grow silent I start to fall
 And when you grow silent I start to fall
 And when you grow silent I start to fall
And when you grow silent, when you grow silent
 This is me on my knees
 Singing take it all from me, take it all
 Speak to my needs, my needs
 And take it all, oh, just take it all
 This is me on my knees
 Singing take it all from me, take it all
 And speak to my needs, my needs

And take it all, yeah
