

My My

Menomena

What if all my enemies were dead
And I could forget everything they said
Could I be then who I really am?

What if I sold everything I own
And ran away from everyone I know
Could I make another place my home?

And if I let go all of my ghosts
Who would I dump over the months?

What if everyone is right?
Should've taken their advice
But I can't change my mind

And if I let go all of my ghosts
Who would I dump over the months?

(What if everybody else is right?
Should've taken more of their advice)
