Perfect Tonight

Lullacry

It's like a little death
When I see you go
Like holding my breath
I want to knowYou and I, lost in time tonightLike a rush of blood
I'm dazed by you
You and I, lost in time
You and I, perfect tonight(Chorus)
Can't you see
Love in disguise
You and me
Perfect tonight
Can't you see
Love in these eyes
You and me
Perfect tonightIt's like a deadly mistake
That cuts me deeper
Like chained to heartache
I'm my own keeperYou and I, lost in time
You and I, perfect tonight(Repeat chorus)Can't you see
You and me(Repeat chorus)
