Easy now no need fi go down,
Easy now no need fi go down,
Rock that run that, this where we from Easy now no need fi go down,
Easy now no need fi go down,
Rock that run that, this where we from Whoop Whoop
When you run come around,
'Cause I know you're the talk of the town yea Whoop Whoop
When you run come around,
'Cause I know you're the talk of the town yea Whoop Whoop
When you run come around,
'Cause I know you're the talk of the town yea Whoop Whoop
When you run come around,
'Cause I know you're the talk of the town yea Easy now no need fi go down
Just walk it gently and no break nah bone,
Cool end-it-ly, you have a style of your own,
Me never kno you saw ya master the saxophone 'Cause you sound like the talk of the town yea,
I'ma look you when you run come around yea,
Make me wobble, make me whole body bubble,
An me no say ya trouble, when ya ready for the double,
And n you hit that,
No ti-na the mickle
Play with it a lickle, why you so na tickle
I'm tellin' you to, hit that
No ti-na the mickle
Stay with it a lickle, why you so na tickle
I'm feelin' them
(Whoop Whoop) Easy now no need fi go down,
Easy now no need fi go down,
Walk it gently and no break nah bone Whoop Whoop
When you run come around,
'Cause I know you're the talk of the town yea Whoop Whoop
When you run come around,
'Cause I know you're the talk of the town yea Whoop Whoop
When you run come around,
'Cause I know you're the talk of the town yea Whoop Whoop
When you run come around,
'Cause I know you're the talk of the town yea Best shown overall, shiny and tall,
One touch make a gal climb whoever you are,
Brass hat, hatter than fireball
