

# More Than Ever

## Chokehold

Untie me, I can't be held back anymore  
Building up inside, all out war  
Shade of red on everything I see  
No telling what could happen if you fuck with me  
More than ever it's becoming clear  
that my hate for you is a fucking obsession  
I wish I could look the other way  
I've tried so hard to ignore you  
But you kept coming back  
To time has come to attack
