No Turning Back (Remastered 2016)

Stratovarius

So long I have been accepting what I've seen, never really speaking my mind. Now the heat's leaking out. I'd like to scream and shout. I want to leave it all behind.There's no one else to turn the wheel, I've got my own life to steer.No Turning Back, coz I want to know who I am and I want to live my life.
No Turning Back, tomorrow's awaiting, I'm on the way.Hard to find the right words and not to make it worse. A choice that has to be done, it is just my life. Can't make no compromise and to stop what has begun.There's no one else to turn the wheel, I've got my own life to steer.No Turning Back, coz I want to know who I am and I want to live my life.
No Turning Back, tomorrow's awaiting, I'm on the way.I have all the strings in my hands. The choices that's been laid for me. I am not taking more commands, coz now finally I'm free
