Blasphemer

Doomtrooper

Black metal is the game I play
'Cause no one show me the right way
I am a bloody Antichrist, only believe in bad
Spit at the church, evil I getBlasphemer
Blasphemer
Blasphemer
BlasphemerRites of death return to Hell
I am Satan's child, attack you with spellI turn the cross upside down
And read Satanic Bible with fucking crown
My life begins at midnight twelve
Masturbate to kill myselfBlasphemer
Blasphemer
Blasphemer
BlasphemerRites of death return to Hell
I am Satan's child, attack with spellI love to drink my own blood
My sin is my life in a war with God
I talk to the demons night tonight
Make love and black masses in a dark shadow lightBlasphemer
Blasphemer
Blasphemer
BlasphemerRites of death return to Hell
I am Satan's child, attack you with spellBlasphemer
Blasphemer
Blasphemer
Blasphemer
