

Solace of You

Living Colour

When it hurts to be out there
Where no one will care
I've got the solace of you Frustrated by the people's lying
But I keep on trying
I've got the solace of you When I can't think straight
And there's no escape
I've got the solace of you Gotta go inside, back where it started
Back to the beginning
'Cause that's where my heart is Gotta go inside, back where it started
Back to the beginning
'Cause that's where my heart is They can hurt me, jail my body
I'll still be free
I've got the solace of you They can take my land
Tell me I'm not who I am
I've got the solace of you A wise man said to know thyself
'Cause in the end there's no one else
Just the solace of you Gotta go inside, back where it started
Back to the beginning
'Cause that's where my heart is Gotta go inside, back where it started
Back to the beginning
'Cause that's where my heart is Gotta go inside
Back to the beginning
Gotta go inside
Back to beginning
