

Too Afraid To Love

The Black Keys

My gears they grind
More each day
And I feel like
They're gonna grind away And the city blocks
They drive me wild
The never ending
Mile after mile I just don't know what to do
I'm too afraid to love you It's heaven on earth
It's in her embrace
Her gentle touch
Her smiling face I'm just one wishing
That I was a pair
With someone
Oh, somewhere I just don't know what to do
I'm too afraid to love you All those sleepless nights
And all those wasted days
I wish loneliness would leave me
But I think it's here to stay What more can I do?
'Cause I'm wringing myself dry
And I can't afford to lose
One more tear drop from my eyes I'm too afraid
I'm too afraid
I just don't know what to do
With myself Thinking all the time
Don't know what to do
Don't know what to do
Driving me out of my mind
