## Engineers

hooked inside is my old brown grey  
if it feels right then it feel right  
tied in tight in the same old way  
climb to new heights if it feels right is your faith steadfast  
challenged by a needle  
would you go this far  
what is there to stop you will you hide make it go away  
is the light bright when you're inside  
change your side is it old brown grey  
does it feel right, if it feels right  
with your face set hard  
challenged by a needle  
now you've gone too far  
what is there to stop you
