

# Just For Today

[India.arie](#)

Just for today  
I could try to live through this day only  
Not deal with all life's problems  
Just for today  
If just for one night  
I could feel not sad and lonely  
Not be my own life's problem  
Just for one night  
If just for today  
I could try to live through this day only  
Not deal with all life's problems  
Just for today  
If just for one night  
I could feel not sad and lonely  
Not be my own life's problem  
Just for one night  
Just for today  
I could try to live through this day only  
Not deal with all life's problems  
Just for today, just for today
