

I Only Have Eyes For You

Jamie Cullum

Are the stars out tonight?
I don't know if it's cloudy or bright
'Cause I only have eyes for you, dear
My love must be some kind of blind love I don't see anybody but you
The moon may be high
But I can't see a thing in the sky
'Cause I only have eyes for you. And dear, I wonder if you find love
An optical illusion, too? I don't know if we're in a garden
Or on a crowded avenue
You are here, so am I
Maybe millions of people go by
