

# I Wanna Be A Warhol

## Alkaline Trio

I wanna be a little piece of history  
Let's go  
I wanna be a painting for all to see  
Let's go  
Take a trip  
Take a big hand full of these  
And swallow  
Just a headache  
A fuzzy memory  
Tomorrow  
I wanna be a Warhol  
Hanging on your wall  
You down there looking up at me  
I wanna be a Warhol  
Displayed on your wall  
Hung up there staring back at you  
Staring back at you  
Give me a taste of your misery  
Let's go  
Won't you please come play chemistry

And sorrow  
I can't believe anything that you're telling me  
Let's go  
The walls are closing in and melting  
Nice and slow  
I wanna be a Warhol  
Hanging on your wall  
You down there looking up at me  
I wanna be a Warhol  
Displayed on your wall  
Hung up there staring back at you  
Staring back at you  
I wanna be a Warhol  
Hanging on your wall  
Staring down at you  
I wanna be a Warhol  
Displayed on your wall  
Still hung up on you

Still hung up on you  
Still hung up on you
